Welcome to the Volga shores!

Here, the gastronomic story comes alive in the flames of a Russian oven, the smoke of an American smoker, the heat of a Spanish hoesper and an Italian pizza oven. Fire is our main ally, and tradition is our guide.

The menu of the «Mayak» includes dishes of traditional Russian and Italian cuisine, recipes of the peoples of the Volga region and modern world hits. We work with local products, which are rich in the Volga and its shores. And we create meat delicacies at our own farm «Pomeshchik» in the Kinelsky district of the Samara region, where quality is passed down from generation to generation.

The «Mayak» is a place of power where everyone finds Himself. And your taste too.

Enjoy it in the restaurant or take it with you — in a convenient, reliable, beautiful package. And you can always buy the products of our own production «Pomeshchik» in our store.
